

# Oak Park Library

## Family Reading and Science Workshops

### “Vital Signs: How Health Works.”

with the U of M Exhibit Museum of Natural History in the  
Oak Park Community Center, Room 2  
14300 Oak Park Blvd, Oak Park, MI 48237

Family Reading and Science program for kids ages 6 and up with a parent or guardian.

Check out cool science workshops and enjoy a special field trip to the Exhibit Museum of Natural History in Ann Arbor!

**All Workshops on Monday, at 7pm on the following dates:**

1. **January 23, 2012 - How YOU work:** What are you made of and what do all those stats mean?
2. **February 20, 2012 - How YOU get sick:** Germs, parasites and allergies, Oh my! We will look at what things make us sick and how our body protects itself.
3. **March 19, 2012 - How to build a better YOU:** making the most of your health. We will learn what we can do to improve and maintain our health. We'll examine environment, healthy eating and exercise.

**Discovery Day, Saturday, March 24:** Free field trip to the Exhibit Museum of Natural History with transportation from the Oak Park Library.

Registration is requested for each workshop and for the field trip to the Museum. Call or visit the library to sign up today!

Funding for this series of events generously provided by the Friends of the Oak Park Library.

The Oak Park Public Library, upon reasonable advance notice, will provide support and make reasonable accommodations to assist people with disabilities to access facilities and participate in Library services.
